Other Notes

On Page 17 is the history of the last three Islanders that reside in the St. Joseph's order. They are the O'Brien girls from Richmond and I visit with them every time I have the opportunity to visit Minneapolis. This is a picture of three of them outside the Lexington Restaurant. From left to right is Mary, Rita and Theresa. I believe all of them or some of them received their high school education at Kinkora. I met with them the summer they were home in 2003 and I hoped to continue to spend time with them when passing through Minneapolis.
